Freelancer.com CEO Matt Barrie to chair panel on outsourcing at exclusive Summit Series event

SYDNEY, April 30th, 2010: Matt Barrie, Chief Executive of Freelancer.com, the world's number one outsourcing marketplace, will be chairing a panel session on outsourcing at the world renowned Summit Series in Washington DC.

DC10 is an invitation-only event designed to inspire a new generation of leaders to succeed in business and in life. The conference seeks to unite innovative entrepreneurs with brands, companies and thought leaders. This year's conference, the most heavily attended ever, is expecting 600 of the most outstanding CEOs, founders and entrepreneurs from across the globe. Among attendees are Bill Clinton, Ted Turner, Mark Cuban and John Legend.

Joining these luminaries, Matt Barrie brings his business experience and heavy involvement within the technology industry. Currently Freelancer.com has over 1,500,000 registered professionals from 234 countries and territories worldwide. He will share his experience in the panel entitled "Outsource Everything: The mundane, the complex, and the personal. Outsource it all!"

"I am looking forward to presenting at DC10. It's going be a great opportunity to share knowledge with some of the worlds best thinkers." said Matt Barrie, Chief Executive of Freelancer.com. "This is an amazing conference and I'm honored to be asked to attend. At Freelancer.com I'm continually amazed by our users pushing the limits of what can be outsourced. I hope to share some of this with attendees at DC10!", he said.

The Summit Series DC10 runs from May 13 – 16 in Washington: http://dc10.summitseries.com/

About Freelancer
Freelancer.com is a global marketplace for online and freelance jobs where businesses connect with independent service providers and freelancers to outsource their work. Freelancer.com connects over 1.5 million employers and freelancers globally from over 234 countries & regions. Through our website, employers can hire freelancers to do work in areas such as software, writing, data entry and design right through to engineering and the sciences, sales and marketing, and accounting & legal services. Freelancer is the leader in the micro-outsourcing market, with the average job size being under US$200. This is extremely cost effective for small businesses, which often need a wide variety of jobs to be done, but cannot justify the expense of hiring full time.
